1:00 PM

SANTA WILL BE VISITING IN PINE KNOLL SHORES ON SATURDAY, DECEMBER 10, AND WANTS EVERYONE TO KNOW THAT HE WILL BE LEAVING TOWN HALL AT 1:00 PM AND BEGIN HIS PARADE.

NOVEMBER BOARD OF COMMISSIONERS MEETING

PUBLIC HEARING

Following the public hearing on Thursday, November 10, the Board of Commissioners voted to modify the Land Use Update Plan of 91-92 to allow existing marinas to make modifications so long as the external boundaries of the marina are not affected; sent the Ocean Setback measurement back to the Planning board for further recommendations.

BEACH RENOURISHMENT PERMIT

At the recommendation of the local CAMA official in the Morehead office, PKS Commissioners rescinded the action voted at the October meeting to apply for a major CAMA permit for the town's ocean front nourishment because of the numerous complicated requirements for permitting a large project. The Commissioners were advised that individual permits are easier to obtain and can accommodate projects up to one acre with the permit being valid for three years. As many as five or six property owners can join in one permit.

SOUND CHANNEL DREDGING

Steps have been taken to apply for a N.C. Water Resources 20/80 grant to dredge the channels connecting PKS and the intra-coastal waterway of Bogue Sound. A contract bid of \$11,500 was accepted from Mud Bucket Dredging.
