### **WATER COMMITTEE**

The Board of Commissioners supported unanimously the final recommendations of the Water Committee to negotiate the purchase of Carolina Water Service. If this does not materialize, a state of the art system will be built by the Town. Mayor Hasulak and Commissioner Gallo were appointed to negotiate with Utilities, Inc. on behalf of the Town. The Water Committee was dissolved but would serve in an advisory capacity when needed. The Committee was thanked for their time and efforts on behalf of the Town.

A job description for new position of part-time Fire Prevention Inspector was approved by the Board.

### **SANITATION WORKERS OF THE YEAR**

The Board voted to nominate three garbage collection personnel from Waste Industries, who service Pine Knoll Shores, as Sanitation Workers of the Year in a contest sponsored by Ruffies Manufacturers. This contest monetarily rewards garbage collection personnel.
