

ocean near Ocean City where Mary Jo spent many happy times. Roger and Mary Jo vacationed in this area. She was drawn back to the ocean.

They have four children: Roger, Jr. in Atlanta; Jennifer, who is married and has two sons in Tallahassee; Duane in Rocky Mount, VA and Stephanie who is married with one son and lives in Ferrum, Va. In all, they have three grandsons to brighten their lives.

Mary Jo loved the trees around her Smith Mountain Lake home and her new home on Arborvitae is also surrounded by trees. She calls it her "tree house" by the shore.

Judging by the baskets and wood objects around the house, Mary Jo is a very talented person.

**Pat and Willie Kilian** have moved into their new home on June 23rd at 104 Hickory Court on top of the hill. They moved from Roanoke Rapids, NC. Pat was born and raised in Akron, OH and Willie was originally from Ridgeway, NC.

Willie was attending college in Raleigh and met Pat at a dance there while she was visiting relatives. After they married, they lived in Richmond, VA, Williamston, NC and finally Roanoke Rapids.

They have two children; a son Ricky and wife Amy, who live in Greensboro, NC and a daughter, Caterina, who is a nurse in Lynchburg, VA.

Willie worked for Virginia Electric Power Company's branch in North Carolina in marketing, rates and contracts. Pat was a housewife and "mommie." She worked a few part-time jobs but mainly stayed at home.

They found PKS by vacationing here the past 25 years and bought their lot in 1990 with the intent to retire here. Willie has just retired but travels back to Roanoke Rapids every week to cut the lawn and tend their house which hasn't sold as yet.

Pat enjoys ceramics and handicrafts, while Willie likes to garden and do yard work, fish, hunt and walk. He also enjoys photography. When all settled in he'd like to take up golf once more.
