Welcome New Residents

Ms. Mattie Kissiah has just moved into the neat, yellow house at 264 Salter Path Road. She was born and raised in Charlotte, NC, where she graduated from Queens College as a History Major. Then she went for a Masters Degree in career planning and worked as a career planning director at the college. From there she got into investment package and financial services. She transferred to Europe and ended up in Luxembourg and Germany.

Mattie was called home five years' ago to look after ill members of the family. Now that all estates are finally taken care of, she's decided to start a new life here in PKS. A short way from her lives her cousin, Sara, and husband, Fred Fulcher.

Mattie is now working for Century 21. Her hobbies are travel, reading and movies.

A personal note: Mattie's brother, Herm Kissiah, is Head Dean of Students at Lafayette College in Easton, PA, and just happens to be my son-in-law's boss. Small world.

Mattie believes she'll be happy here. "It's such a charming place to live."
