### **THE N.C. POLICE BENEVOLENT ASSOC.**

Many residents have been contacted about a fundraising campaign for the Police Benevolent Association. This campaign is being conducted by Telcom Telemarketing and the person who contacted you is an employee of Telcom Telemarketing Services, Inc., and is paid to make the call. The N.C. Police Benevolent Association represents some but not all law enforcement officers. Pine Knoll Shores receives no benefit from these funds.

### ***REMINDER FROM PLANNING BOARD AND COMMUNITY APPEARANCE COMMISSION***

The Planning Board and Community Appearance Commission would like to remind residents of the following concerns.

1. Sometimes garbage is placed on the right-of-way before pickup day. This can become a nuisance if the wind blows and cans tip or animals are drawn by the contents and spread it along the street.
2. The town also requires that yard waste, which is scheduled for pickup the last Tuesday of the month, be prepared according to Waste Industries guidelines, and that it not be left earlier than weekend before pickup.
3. Further, with the approach of summer, be reminded that more people are walking on the street and on the beach. If you exercise your dog, remember that Pine Knoll Shores has a "Pooper Scooper" law. The town also receives calls about barking dogs, which can be very annoying. In summer when windows are open, the noise of a dog barking can be very disturbing.
