

PINE KNOLL SHORES EMS SQUAD #65

The Squad met June 3rd, 1996 at Town Hall.

Chief Wimberley reported both ambulances recently passed State Inspection.

Our EMS Appreciation Day at Brock Basin was a great success due to all who participated.

Marion Walker and Teddy Wimberley attended the County Commissioners meeting, June 3rd. Dr. Bell's contract as EMS Director was approved by the County Commissioners. Mike Addertion presented Certificates of Appreciation from Carteret County Commissioners to all EMS Squads.

Marion Walker, OSHA Officer, gave a talk on the importance of using seat Belts in the ambulances.

The Executive Board of the squad met prior to the meeting and discussed setting goals for the squad and sending out a questionnaire to members for comments.

The Squad answered 19 calls in May, 17 EMS and 2 fire calls. Residents are reminded to be careful of RIP TIDES in the OCEAN.

Call 911--We'll be there!!!

Teddy Wimberley

PINE KNOLL SHORES GARDEN CLUB

PKS Garden Club held their last meeting of the year, with an outdoor picnic lunch on Nan Gildner's big, wrap-around porch.

Each lunch was served in an attractive basket, filled with chicken salad in a shell, potato chips and crackers, candy shaped like a flower in a pot, and dessert.

Connie Parker and Julia Woolard were in charge of the lunch assisted by Lois Jean O'Keefe and Nan Gildner.

The group was saddened by the death of Elizabeth Ames, who was a chartered member and served as first president.

Lois Jean O'Keefe was presented with a garden statue of St. Francis of Assisi, for having served so ably as President this year. Lois Jean in turn thanked Nan Gildner with

a cherub statue, for all her help.

Lois Jean O'Keefe gave a recap of this year's activities and welcomed the new members.

Betty Stanton installed the new Officers:

President, Clare Winslow

Asst. Vice President, Mary Heim

2nd Vice President, Dot Belding

Secretary, Lenora Roberson

Treasurer, Lois Strube

Corresponding Sec., Mary A. Cornelius.

Don't forget to put your plastic pots in the marked recycle bin behind Town Hall.

NORTH CAROLINA AQUARIUM **MORE TIME FOR FUN**

For the first time in its 20-year history, the N.C. Aquarium has increased its summer visiting hours. From now through Sept.

2, the aquarium is open daily from 9 a.m. to 7 p.m. Films, videos, touch tank talks, beach walks, salt marsh trips, canoe excursions and other programs will fill the extended hours. Pick up a summer calendar for a complete listing of daily activities.

Aquarium visitors can also enjoy the new outdoor "Salt Marsh Safari" boardwalk, which meanders along Bogue Sound. The boardwalk ends at the Alice G. Hoffman Nature Trail, where visitors can take a short hike along a loop trail through the maritime forest. Late afternoon and early evening are good times to catch a glimpse of native wildlife in the marsh and forest. Wading birds, shore birds and raccoons are common sightings, and there are occasional reports of red fox. Because the marsh and maritime forest are ideal habitats for insects, insect repellent is strongly recommended.

Take advantage of the aquarium's extended hours. Bring friends, family, and especially the grandchildren for an "after 5 p.m." visit. Maybe even sign on for a late afternoon field excursion. See you there!
