

**EMERGENCY MANAGEMENT  
VOLUNTEERS MEETING, WEDNESDAY  
JULY 10 AT 10 A.M., TOWN HALL**

A special meeting will be held for all Emergency Management Volunteers who are holders of the Yellow early reentry passes. This will be a brief meeting to make sure that these volunteers know what roles they might play upon returning to PKS after a storm or other emergency has hit us.

Bring with you, the location and phone number of the place you will go when we must evacuate so we can call you back when the time comes.

If you have not already signed up as an early reentry volunteer you are welcome to attend this meeting and do so at that time. Following a bad storm we will need to have quite a few people with many different skills to come back early to put the town back together. If you have any questions call Ed Kuhary at 247-4416

**SUMMER TRASH PICKUP**

Annual schedules for Waste Industries pickups are still available at Town Hall. The summer schedule beginning June 1 includes twice a week garbage collection and recycling pickup every Thursday.
