SENIOR VACCINATION SUNDAY

Fact: Bacterial pneumonia and influenza can be deadly to older Americans. Now you've got a fair shot at fighting back.

If you are 65 or older, bring your Medicare B card to the National Guard Armory on Sunday, October 12, between the hours of 10:00 am and 3:00 pm and get a free shot in the arm. The flu and pneumonia vaccine will be given at no charge to seniors 65 and older on this day. If you are less than 65 years of age, the cost is \$8.00 for flu shots and \$15.00 for pneumonia shots.

For most folks, the pneumonia shot is one time for a lifetime of protection against bacterial pneumonia. Check with your doctor to find out if you have previously been vaccinated against pneumonia. Flu shots should be repeated each fall.
