HELP WANTED

PKS is a great place to live for many reasons. One reason for sure is that everyone pitches in and helps with the many services that make living here so nice. Emergency Management (Hurricane/Storm) is no exception. We could use your help in a couple of ways:

- Your suggestions on how to make it work better would be appreciated. Just drop a note off at Town Hall or give me a call at home. (240-2041)
- Offer to assist as a volunteer caller, answering phones in Town Hall, work on the damage assessment team etc. Again, call Town Hall or give me a call.

Sometime in March, Skip Norcross (operations mgr.), Commissioner Emily White (Hoooray she has been assigned Emergency Management again) and myself will call a meeting of the various parts of the organization to start working on the 2000 plan. We will call you then. Thanks in advance for your help
