Featured Artist of the Month:

Selected pen and ink illustrations by Beaufort artist Ann H. Hauman are featured this month in the gallery. Ms. Hauman began her formal education in art at Syracuse University in New York and later continued her studies in the graphic arts at the University of Central Oklahoma. She has done illustrations for the Department of Sports Medicine at the University of Oklahoma and a medical text for Duke University Medical Center, as well as years of editorial cartoons for several newspapers. Experiments with colored inks have added a new dimension to her recent whimsical illustrations. Ms. Hauman has received numerous awards for her work and her drawings are in private collections nationwide.

Showcase Artists for March:

Featured in the showcases are beautiful hand-painted porcelains by Shirley Gambrell of Morehead City and Ruth Price of Atlantic Beach. Their colorful collection of plates, pitchers, vases, boxes and other fine porcelain pieces reflects the discipline of their exacting art. Special paints are applied in layers, and each is fired in a kiln, a process repeated from three to five times to achieve the beauty of the finished piece.

Be sure to mark Friday, March 9th, on your calendar when the Friends of the Library will host a reception from 3:00 p.m. to 4:00 p.m. for our three award-winning artists.

Pine Knoll Association and Piksco Corporation have agreed to continue honoring the existing reciprocal agreement between both associations for the use of each association's park areas. Because concerns were raised by both associations relating to the overcrowding of the parks being used by nonmembers and former members, new gate cards will be issued to both associations' members. The new gate cards will be available for pick up by PKA members beginning Monday, March 19. Gate Cards will be mailed to Piksco members the first week in May. IMPORTANT: The new gate cards will be active starting Monday, May 21. If you plan to visit one of the parks between now and May 21, you will need to use your current gate card. The reason for the delay is to give members of both associations time to acquire their new gate cards before the holidays. The gate card fee structure will be the same for both associations (no charge for the first gate card, \$10 for the second gate card and \$100 for the third gate card). If you have any questions, PKA members can call (252) 240-1717 and Piksco members can call (252) 247-4818.
