

The Aquarium's "Guest Chefs' Succulent Seafood" cooking series continues this month on Feb. 7 and 28, with Toni Darienzo of the Crab's Claw, and on Feb. 21 with Shawn Ashburner of Gourmet Café.

These popular, fun-filled cooking classes offer how-to demonstrations, cooking tips, recipes and, best of all, participants get to sample the finished dish. Cost is \$15 per class and spaces fill quickly, so register early by calling the Aquarium at 247-4003.

Work will soon begin on a new bike and pedestrian lane on Pine Knoll Boulevard and Roosevelt Drive. The new lane will provide access from Highway 58 to the Aquarium. Funded by the State Department of Transportation in cooperation with the Town of Pine Knoll Shores and the Aquarium, the project is targeted to be completed by spring. The bike lane will make it safer for bicyclists, runners and walkers who travel this popular route.

You can visit the Aquarium free on Valentine's Day, Feb. 14. Catch a marine life video at 10 a.m. or 2 p.m., a live animal program in the auditorium at 11 a.m., or the daily fish feeding at 3 p.m. If the weather's nice, take a stroll on one of the Aquarium's two nature trails.

Winter is when the Aquarium holds its nautical craft classes. Make seashell pictures frames, maritime wreaths, or an original fish print suitable for hanging to use as gifts or for home décor. All materials are provided. Call the aquarium for dates and times.

For a complete list of winter activities, stop by the Aquarium and pick up a calendar, or call 247-4003 to request a calendar by mail. The Aquarium's calendar of events is also on its website,
