February Board of Commissioners Meeting

- ☐ There was a Public Hearing on a proposed amendment to the zoning ordinance to change the setbacks in Municipal Service Districts from the current setbacks of 50' from Residential and 35' from other properties to correspond with the Commercial Districts setbacks of 50' from Street Right of Way and 20' from lot lines. Later during the regular meeting, Commissioners voted approving the change to Municipal Service Districts setbacks.
- ☐ In an effort to balance the State Budget reimbursements that are normally given to local governments are being withheld. Pine Knoll Shores will lose about \$55,000 in reimbursements. In addition, a loss of income from interest bearing accounts will probably total another \$40,000 making next year's budgeting more difficult. The Board appointed Betty Carr, Town Administrator to the position of Budget Officer.
- ☐ The Board passed an ordinance to Prohibit Beach Bulldozing in concurrence with the beach renourishment.
- ☐ The Board passed amendments to the Fire Department By-Laws so that membership will not be restricted to Pine Knoll Shores residents.
