

Garden Club

By Yvette Bannen

The November business meeting of the Pine Knoll Shores' Garden Club was held an hour earlier than usual because of a conflict with the town's dedication of Veterans' Park scheduled for 11 a.m.

Cherie Range, who is Garden Club coordinator for the town's Christmas parade to be held on December 5, reviewed plans to decorate the McGibbon's truck on the day before and possibly also a golf cart.

The hospitality committee for the Christmas luncheon to be held at President Carol McVitty's home made plans to discuss the menu and other

responsibilities.

The birdhouse competition to be held in early March was also discussed during the business meeting.

Second Vice-President Helvi Larson reminded the members that the Arbor Day ceremony would be held on March 19 at Garner Park.

The Tree City Fair to be held in April received a lot of discussion, and because of time constraints, this discussion will continue at the next meeting.

The sharing program of using greens for decorations was conducted after the business meeting was adjourned. Jan Corsello demonstrated a container with a number of items collected from her yard, and Donna Belanger demonstrated how to make bows.
