### MURDER MYSTERY DINNER THEATER

April 29-30. - The History Place (1008 Arendell Street, downtown Morehead City) is proud to present a Murder Mystery Dinner Theater on the last Friday and Saturday of April. As dinner is served, a murder occurs, and the audience learns that everyone has a motive. What's more, the motive involves a treasure map. If anyone can figure out the clues, that map will reveal a fortune in Mexican gold. The dinner theater is interactive; and between scenes, the characters visit each table and talk with the audience, so everyone can take a crack at solving the crime. In this particular production, audience members also get a copy of the map and its clues so they can try to figure out the location of the gold as well. Tickets are \$35 per person and are available at The History Place or Poor Richards in Morehead City. Tickets may also be purchased through the History Place Website at [\[toryplace.org\]\(http://historyplace.org\). For more information, call Cindi B.
