## Kayak for the Warriors Events Close Out On Our Ninth Year

By Jean McDanal

Thank you, Pine Knoll Shores, for your commitment and dedication to making our ninth year one of the best. The first event, held on May 28, was the 5K Beach Run and 1-mile Fun Run/Walk. This began at the Clam Digger Inn, then moved across Salter Path Road through the maritime forest of Beacon's Reach.

## PKS Promotes Two of Its Best

By Brian Kramer

The Board of Commissioners has approved the promotion of Scott Sherrill to serve as the town planner and Sarah Williams to serve as the Pine Knoll Shores town clerk. Both moves become effective on July 1 at the beginning of the new fiscal year.

Scott came to the staff in May 2012 from UNC—Chapel Hill, where he received his Master of Public Administration. He has an undergraduate degree from Davidson College. He was initially assigned as the town clerk with secondary duties as the planning administrator. Pine Knoll Shores has long had a vacant planner position, and the timing was right for Scott to formally assume a role he has been filling for four years. He has been the town's central figure in the creation of our first Strategic Plan, was the staff lead in the rewrite of the Land Use Plan, and has led numerous ordinance revision efforts. He has been the town's lead agent for transportation planning, serving on the Down East Rural Planning Organization with representatives from towns in a three-county area. Scott has been a member of two committees for the North Carolina League of Municipalities, and as such has kept the town apprised of legislation in Raleigh that could affect Pine Knoll Shores. He is one of the county's most respected young administrators, and this year will sit for exams to become a certified zoning officer and to become a member of the American Institute of Certified Planners.
