

"Most professional real estate team, everyone was great, nice, helpful."

Bob & Kay Greene
Morehead City, NC

"Being a novice in the real estate world, I have no criteria for assessing judgment. However, I can attest to the fact that every experience with The Star Team was exemplary. Never did I ask for help that wasn't given; never did I seek assurance that you were not there with a helping hand. Thank you so much for what I consider a job well done."

Hazel Byrd
Morehead City, NC

"Flexible to our needs, always prepared for every meeting, and extremely professional in every facet of operations."

Connie & Bart Bartels
