

PKS Fire Auxiliary Car Wash a Success

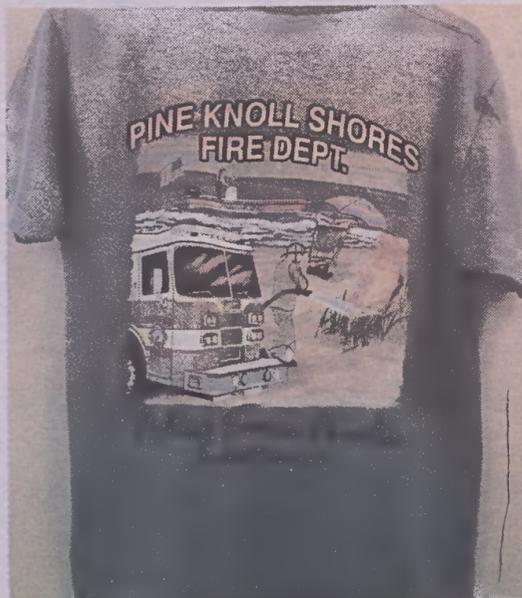

By Teddy Wimberley, Auxiliary Secretary

The Pine Knoll Shores Fire Auxiliary held its annual car wash at the Pine Knoll Shores fire station on May 27. Fire Auxiliary members, their families, town residents and homeowners, volunteer firemen and on-duty firemen worked together to make the car wash a huge success.

Thanks to the support of residents and visitors to the area who brought in their cars to be washed, the donations-only event resulted in 34 cars being washed for a total of \$735 in donations.

During the car wash, the auxiliary also sold the newly designed and popular Pine Knoll Shores Fire Department t-shirts for an additional \$200 in proceeds. The t-shirts are available in a wide variety of sizes (youth sizes small through large and adult sizes through XXX large) for \$20 each. Support your local Fire Department by stopping by the public safety building to get yours today.

A hearty thank you is extended to all who helped to make this annual event a success.
