Well, fellows even if we are squeezed for space, I've just got to tell you that the Baptist church has obtained a pastor. The Rev. Anthony Pollard, of Danville, Va., has accepted the call extended to him. And to him and his family may we say, we're delighted to have you come to our community and we certainly hope you like our town.

Well fellows, it seems that's really quite a bit of news and so I'll stop for this time and until next time. I'll say may God's blessings be with you all.

FAYE WARREN.
