WINS CITATION

Captain Beacham Wray, formerly a foreman in our Bleachery and Finishing Department has been cited for exceptional and meritorious service in the vicinity of Tunisia during the Africa campaign. Captain Wray is well known in the Tri-Cities, as his home was in Draper and his work in Spray, and has a large number of friends who are thrilled to learn of his citation. We're mighty proud of our Capt. Wray.

Leaksville Y. M. C. A. Goes Over The Top

In the membership drive that ended last week Leaksville Y. M. C. A. was the only one in our group to go over the top, signing 550 members, 50 more than the goal set for them. While Central Y, North Spray Y and Draper Y all fell a few members short of their goal indication are that the goal will be reached within a few weeks for each gained more members.

Louis T. Nester, S 1/c has a change of address, but as we're not permitted to connect the name of the man with that of his ship you'll have to write us for the full address, which we'll be more than glad to give you.

Vacation Announcement

In order to give employees a needed rest and to enable the mills to take mid-year inventories, as well as to make needed repairs, the mills will close as of the end of the third shift June 30. Operations will be resumed at the beginning of the first shift on Tuesday, July 6.

Hosiery Mill Buys More War Bonds

The Hosiery Mill employees were recently canvassed to see if any one cared to increase their pay roll deduction for war bonds. This canvass resulted in an increase of 36.5 percent over the amount that was previously deducted for bond purchases. At the present time 96 percent of the employees in the Hosiery Mill are participating in the Pay Roll Deduction Plan.

Canning Tips

By Mrs. W. B. Weaver

Now that the canning season is here it is up to every member of the family to help save all the surplus fruits and vegetables from our Victory gardens. We have had seven canning demonstrations in the communities of Leaksville-Spray, which we think gave everyone who was interested in canning an opportunity to get the newest methods in food preservation. However, anyone who needs help during the summer months, please call me and I will be glad to assist in any way possible.

Attached herewith is a list of recipes that I think are excellent. Others in later issues:

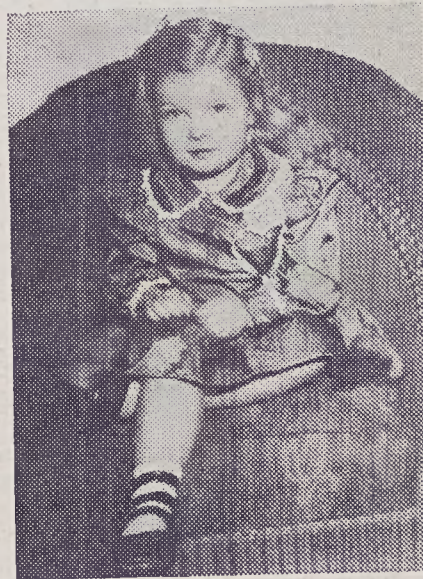

Syrup Table For Fruits

Thin syrup—1 part sugar to 3 parts water; Medium syrup—1 part sugar to 2 parts water; Thick syrup—1 part sugar to 1 part water. Directions: Boil sugar and water together until sugar is dissolved. Fruit juice may be added in place of water.

Sauerkraut

To make sauerkraut in jars, proceed as follows: Shred the cabbage as usual, pack tightly into jars to within one

FOUR YEARS OLD

Patricia, who was four years old on May 30th, celebrated her birthday with a party Saturday, the 29th. Sixteen little guests were present and they showered the honoree with many lovely gifts. Birthday cake and ice cream was served. Patricia is the daughter of Mrs. J. J. McGee, of Oakland Heights, and the sister of Norvard and Mildred McGee, of Karastan.

Send Smokes To Service Men

The Folding Department of the Finishing Mill and the Preparatory Department of the Rayon Mill are, so far as can be ascertained, first of our departments to send cigarettes to the men in the battle areas. By this act of generosity many of our men will have their smokes who otherwise would have to do without. These departments have set a splendid example. Who will be next? The exact number of smokes sent is not yet known but they will amount to many thousands.
