

## ON THE JOB FOR UNCLE SAM

A Corner For Our Boys in the Armed Forces.

**Norris Pruitt**, G.M. 2/c, and his buddy. The boys sent the picture to our Draper correspondent but failed to say anything about themselves. (Isn't that like a sailor!) Norris is a son of Mr. and Mrs. Eugene Pruitt, Draper.

**Lt. Frank J. Aheron**, son of Mr. and Mrs. F. J. Aheron, of Leaksville. In a splendid article in The Greensboro Daily News Lt. Aheron's feat in shooting down Nazi planes was described. He's with the famous Eighth Air Force.

**Marvin Durwood Gilley**, S 1/c, has returned to Norfolk, Va., for reassignment after a 23-day leave with his parents, Mr. and Mrs. Marvin Gilley, Spray. It was good to see you around home, sailor.

Many a romance begun beside a splashing waterfall at a summer resort has ended beside a leaky water faucet in a kitchen sink.

**Hunt Reed**, S 1/c, is spending a 30-day leave with his wife here. He has been on an extended tour of duty overseas and is stationed at Norfolk, Va.

**Clifford Ball**, son of Mr. and Mrs. Early Ball, of Draper. Clifford has been in service for many months, and is best remembered by Draper people for his athletic ability.

The three brothers shown above are sons of Mr. and Mrs. W. R. Elliott, Ridgeway road. **Cpl. Thomas W. Elliott**, top left, is with the marines at Cherry Point and has 18 months of service, **Sgt. Rae Elliott**, top right, is in the Air Corps and has seen two years of service, is now stationed at Tyndall, Fla., and is expected home on furlough soon. **Pfc. Clemon Elliott** is with the Marines in the South Pacific, present location unknown. He's had 30 months of service, 14 of them overseas. Their Dad works in the Finishing Mill.

Give Generously to the Red Cross!

**Homer Perry**, S 1/c A.M.M., is now located at Quanset Point, Rhode Island. Our correspondent failed to give us any further information about this sailor, but anyway, here's luck to him.

**Otis J. Chatman**, S 2/c, son of Mrs. Maggie Bateman, of the Woolen Mill, was chosen "pin-up" boy by the girls in the Woolen Mill office. Otis is now stationed at Corpus Christi, Texas.

It is rather unusual for all the boys in one family to be in the same branch of service, but the four sons of Mr. and Mrs. A. H. Griggs, of Draper, are all in the Navy. Top left is **Arch H. Griggs**, S 1/c; top right is **Arch O. Griggs**, G. M. 1/c; and bottom left is **James W. Griggs**, S 2/c, and bottom right is **Barrie L. Griggs**, S 2/c. Barrie, Arch O. and James are somewhere in the South Pacific, while Arch H. is on a L.S.M. in the European section of the war. Good luck boys.
