La France Stockings Get Good Display at Rines Brothers, Portland, Maine

La France stockings are proudly sold by progressive stores from coast to coast. Here's a large display window at Rines Brothers in Portland, Maine, which is typical of the way these

stores present the products of Marshall Field & Company, Manufacturing Division, to American customers. La France hose are products of our Fieldale plant.

Fulcher Is Named Master Mechanic At Woolen Mill

The appointment of Lester Fulcher, of Leaksville, as master mechanic at the Woolen Mill, has been announced by Company officials. Fulcher was to have begun work this morning as the successor to Marshall Pender, who resigned the Woolen Mill job to take similar work in some woolen mills in Atlanta.

Fulcher is a graduate of State College where he majored in electrical engineering. He was connected with Duke Power Company for several years. He is active in various civic movements and for a long time has been prominent in Boy Scout work, having himself been an Eagle Scout. He was a reserve officer after leaving college and before the war he was in the Leaksville company of the National Guard. He left with the guardsmen and served

Eggleston Building Is Converted Into Y. M. C. A. Apartments

In order to do its part in helping to relieve the housing shortage for Company employees Central Y. M. C. A. has leased the Eggleston building on the lot adjoining the "Y" and has converted the upstairs into four apartments.

The apartments have already been occupied as follows: Mr. and Mrs. R. C. Tanner (Mr. Tanner of Quality Control), Mr. and Mrs. W. C. Reynolds (Mrs. Reynolds of Personnel), Mr. and Mrs. Jack Ormand (Mr. Ormand of Domestic Designing), and Mr. and Mrs. A. E. Shumate (Mr. Shumate of Karastan Dyeing).

overseas in the European theatre as a captain in the Signal Corps.

Fulcher is married to the former Ruby Matthews, who until recently was employed in the Designing Department.

General Wage Increase Of Eight Cents An Hour Becomes Effective Today

Minimum Is Raised To Seventy-three Cents In All Marshall Field Mills

The Manufacturing Division of Marshall Field and Company and the Textile Workers' Union of America last week agreed on a wage increase which becomes effective this morning for the nine mills in Leaksville, Spray and Draper.

The Company also announced a similar increase for its employees in the Towel and Hosiery Mills at Fieldale, Va.

The increase consists of eight cents an hour across the board on all job classifications with one or two exceptions,
