## Dalrymple Is Appointed Assistant Superintendent At Fieldale Towel Mill

The appointment of Neill M. Dalrymple as assistant superintendent of the Fieldale Towel Mill effective November 5, has been announced by H. W. Whitcomb, divisional vice-president of the Company and assistant general manager of the Manufacturing Division.

A native of Lee County, Dalrymple went to work at the Towel Mill immediately after graduation from N. C. State College in 1937 with a B. S. degree in Textile Manufacturing and worked through all of the departments in the mill under the Company's student training program.

An outstanding athlete, he played basketball and baseball for four years at State and during his senior year was captain of the basketball team. He was named on the All-Southern basketball team chosen by sports writers. He was vice president of the senior class and was voted the college's most outstanding athlete. He was a member of the Textile fraternity and other honorary societies.

During the summers he played semi-pro baseball in the Coastal league in company with such future stars as Jim Tabor, Charlie Keller, Ace Parker, Eric Tipton and others.

Dalrymple left the Towel Mill to go into service in August 1941. He entered as a reserve officer in the infantry and was immediately transferred to the Air Corps. He served for two years in Porto Rica and then was stationed in the States for one and a half years. Following this he was assigned to a troop transport making trips from the United States to France and later to India. When the war ended he was on a transport on its way from France to the Philippines.

He is active in civic and athletic affairs at Fieldale and is married to a Fieldale native, the former Miss Kathleen Whisnant. They have one child, a boy nine months old.

**Boy and Girl Scout Finance Campaign begins in Tri-Cities today (November 11), and ends November 14.**
