Dear Mr. Thomas:

Just a word to say "hello" and to tell you the APO number in my address has been changed to APO 973.

How are the mills working now? Fine, I hope. I would like very much to be there at work. I get my discharge April 24, 1954, so I have 12 more months in the Army. Then I will be back at work with you. I am still receiving the MILL WHISTLE and appreciate it very much. I enjoy reading them and knowing what is going on back home and knowing what is going on in the mill.

Yours truly,

Dear Mr. Thomas:

I enjoyed getting the Mill Whistle when I was in boot camp. I was always looking forward to it because it told of things that were going on in the mills. Now I would like very much to get the paper while I am in the hospital and would like to hear from my friends in the Blanket Cutting and Sewing Dept.
