

**SECURITY** and well-being provided by the employee benefits program at Fieldcrest enable families to have fewer worries and thus lead happier lives. One such family is that of George Aheron, head machine fixer at the Finishing Mill, who is shown with his wife Mary, an employee of the Channel Blanket Dept. and their sons, Michael and Keith. The Aherons own a beautiful home in Rhoulac Knolls. George works as a plumber sometimes as a sideline. He is active in civic affairs and is assistant fire chief in Spray. He and Mary have worked at mills for several years.

**GROUP INSURANCE** policies are sold to the Aherons. An hourly-paid worker, George has \$5,000 group life insurance, \$20-a-week sickness benefits.

**MUTUAL AID** paid maternity benefits for Michael, now 7 years old.

**ON THE JOB** at mill, George maintains maintenance of blanket and
