

Winfred Hoover Named 'Y' Physical Director

Appointment of Winfred Hoover as full-time physical director at Consolidated Central Y.M.C.A., effective September 1, has been announced by Paul L. Peterson, general secretary. Young Hoover served as physical director this summer and formerly worked with the Y.M.C.A. during summers while attending school.

He is the son of Mr. and Mrs. Harold Hoover. His mother, Edna, is employed in the Blanket Folding Dept., at the Finishing Mill. Winfred formerly worked in the Bedspread production control department.

He graduated in 1950 from Leaks-

ville high, where he was an outstanding athlete. He played football for four years and basketball for two years. He was captain of the football team and received the best sportsmanship award during his senior school year.

He attended Western Carolina College at Cullowhee and worked at the Bedspread Mill before enrolling at Elon College in 1952. He majored in health and physical education and worked on the second shift at a textile mill in Burlington to help finance his education.

He is married to the former Miss Beverly Simpson, daughter of Glenn Simpson, foreman at the Bleachery. Beverly formerly worked in the Electric Blanket Office. They have one child, a daughter born August 14, 1955.

Club Member Drive Opens Today

The annual adult membership drive of the Tri-City Community Club (formerly the Girls Club) opens today and continues through Sept. 24. A membership costs \$2.00 per year and entitles the member to participation in all club programs (including craft classes), use of the club facilities and reservation of the building for private gatherings.

Miss Dorla Evans, director, said all girls and women above school age are eligible for adult membership. Although the children's membership drive was conducted during the summer, children of school age may still join at the child's rate of \$1.00 per year, Miss Evans said.

The following organized groups are sponsored by the club: New Leaksville Woman's club, Happy Hours club, Tri-City Youth Family Life Council, Play-school, Child Study club and Playschool Parents' club. In addition to the organized groups, the club sponsors recreational events and classes in crafts and homemaking.

The Tri-City Community club is the oldest adult education program of its kind in the State. It is sponsored by the State Department of Vocational Home Economics Education, Leaksville Township Schools, Fieldcrest Mills, Inc. and the other textile companies in the Tri-Cities.

Speeding on U. S. streets and highways last year killed 13,870 men, women and children.

A bacteriologist reports that kissing is safer with lipstick. Not if you neglect to wipe it off.

Big Crowd Expected At Council Meeting

(Continued from page one)

year. The Tri-City band under direction of J. W. Griggs will present a concert. John Sealy, of Madison, will sing several selections. Governor Hodges will be presented by President Harold W. Whitcomb.

The special program will commemorate the 35th anniversary of the founding of the Council. The group was organized in September 1920 following a course in modern production methods given at the mills. Participants in the course—managers, supervisors, fixers and other key men—voted to form a permanent organization at the close of the course.

In addressing the Council, Governor Hodges will be speaking to an organization to which he still belongs. As a charter member he was awarded lifetime membership in the Council when he ended his active service with the Company in 1950. A plaque, honoring him as co-founder and expressing appreciation for his guidance of the Council in its early years, was sent to Governor Hodges in Western Germany during 1950. He at that time was on a government mission as chief of the industry division of the Economic Cooperation Administration.

Governor Hodges will be the fourth North Carolina chief executive to address the Council. The late U. S. Senator Clyde R. Hoey was Governor when he spoke at the Council's twentieth anniversary meeting in 1940. Governor R. Gregg Cherry spoke in 1945 and U. S. Senator W. Kerr Scott spoke at the Council's thirtieth anniversary in 1950 while he was Governor.

PRODUCTS DISPLAYED

Thousands of people saw Fieldcrest products displayed in our exhibit at the Herry County Exposition in Martinsville, Va. The exposition, held in the Farmers warehouse, was sponsored

ed by the Martinsville Kiwanis club.

The Fieldcrest booth was decorated by members of the Fieldale Personnel Dept. and our Domestic Designing Dept. and exhibited many of our products including domestics and rugs.
