

# Let's Make A

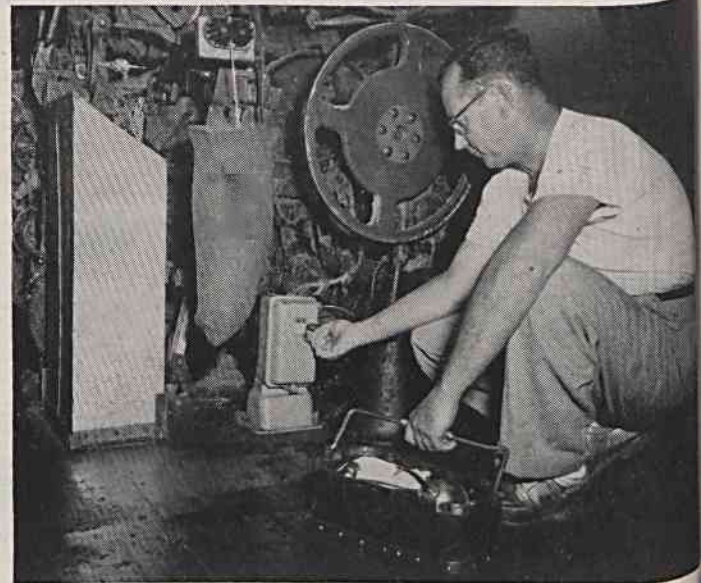

Mabel Akers, Towel Mill spinner, demonstrates how bobbin is grasped firmly to stop spindle and avoid burning hand.

At Blanket Mill, Clyde Minter picks bobbin so Ora Stewart will not step on it.

Sam Willie Adams, Sheeting Mill, wears gloves and uses safety tie cutter when opening bales. Left hand holds band.

Noble Barrow, Towel Mill loomfixer, shuts off motor so weaver cannot start up the loom while he is making repairs.

**Avoid**

**Unsafe**

**Acts**
