

Fieldcresters Serve On Cheer Committee

Jesse Burton, of the Central Warehouse Office, and Robert Hair, of the Data Processing Department, are members of the Christmas Cheer Clearinghouse Committee of Consolidated Central Y. M. C. A.

The Jaycees, the churches and other civic-minded groups are represented on the committee which coordinates Christmas Cheer activities in the Leaksville-Spray community.

All persons who plan to give food, clothing, fuel and other items to the needy at Christmas are invited to contact a member of the committee or the Clearinghouse office at Consolidated Central Y. M. C. A.

Should Report Needy To YMCA

Those who know of needy families or individuals are asked to report them to the Consolidated Central Y. M. C. A. before 5 p. m. on Tuesday, December 22. This will be necessary to avoid duplication and to insure a wider distribution of the food, clothing and other items.

In recent years, The Leaksville News, Radio Station WLOE, the Jaycees, churches and other community groups have played a prominent part in the program. All of these are being asked to cooperate again this year.

Other members of the Clearinghouse Committee are Hicks E. Anderson, chairman; Coy L. Stack, Jerry Webster, Mrs. Sallie Gray Dunn and the Rev. C. Bernard Smith.

Blanket Mill Lists Its Quality Weavers

Ten Blanket Mill weavers—all in the dobbie or plain classification—continue on the quality honor list for the period ending November 30.

In order to make the quality honor list, a weaver must work for six months without his or her cloth having a major quality defect.

Names of the quality weavers are posted on the weave room bulletin board each month and are published in *The Mill Whistle*. When a weaver on the list has a major quality defect, his name is dropped from the list. Other weavers are added as they attain six months of quality work.

The listing of the quality weavers is part of a program at the Blanket Mill designed to emphasize the importance of quality weaving and to give recognition to weavers with outstanding quality records.

The quality honor list for the six months ending November 30 is shown in the accompanying box.

Visits California

Helen Coleman, of the Fitted Sheet Department at the Bleachery, reports a most enjoyable trip to the West Coast. She flew to California October 20 to visit her son-in-law and daughter, Mr. and Mrs. James Janney and to see her new grandson, Charles Moir Janney. She returned home November 14.

Quality Counts

The old saying, "A workman is known by his work," is no less true today in the machine age than it was hundreds of years ago, when terms like "mass production" and "assembly lines" were unheard of, when shoes and clothes and furniture and carriages were made by individual craftsmen.

Today, quality is still the important thing. The quality of Fieldcrest and Karastan products still determines how well the Company meets its competition in the textile markets. The skill and craftsmanship of the individual employee at the machines still determine the quality of the products our Company sells.
