## 18 Blanket Weavers Make Quality Honor List

Eighteen Blanket Mill weavers appear on the quality honor list for the six months ending August 31. Of this number, 15 are plain or dobby weavers and three are in the jacquard division.

New names on the list include John Brown, James Finney and Augusta Hill, plain or dobby; and Jacques Bray and Gladys Harris, jacquard.

The listing of the quality weavers is part of a program at the Blanket Mill designed to emphasize the importance of quality weaving and to give recognition for outstanding records.

In order to make the quality honor list, a weaver must work for six months without a major quality defect.

When a weaver on the list has a major quality defect, his name is dropped. Other weavers are added as they attain six months of quality work.

Quality weavers for the six months ending August 31 are shown in the accompanying box.
