NO. 18

In presentation at Fieldale, Eula Correll (left) and Mrs. Bess Page, chairman of the Martinsville-Henry County Heart Fund, hold check presented by Fieldale Community Fund. Seated at left is Melvin Gourley and at right, Bernard Haynes. Standing are Robert Haynes and Estelle Dalton.

Fieldale People Donate \$2,000 To Heart Fund

A check for \$2,001.67, marking the Fieldale Community Fund's first allocation in 1963, has been presented to the Martinsville-Henry County Heart Fund.

D. A. Purcell, manager of the Towel Mill, presented the check to Mrs. Bess Page, chairman of the Martinsville-Henry County Heart Fund, in an informal ceremony attended by representatives of the Fieldale Community Fund Committee.

Participating in the presentation were the following members of the Community Fund committee, representing various departments in the Towel Mill:

Eula Correll, Spinning; Robert Haynes, Weaving; Estelle Dalton, Cloth Room; Bernard Haynes, Sewing; and Melvin Gourley, Plant Service.

Other donations by the Fieldale Community Fund were made to deserving agencies.

Under the Fieldale plan, only one solicitation is made in the Towel Mill each year. At that time, an employee may pledge a single contribution to be paid in small installments through payroll deductions for a period of 12 months.

The money raised is used for the Community Fund and other authorized fund drives. The funds are administered

by a committee composed of representatives from each department in the mill.

The Fieldale Community Fund Committee for 1963 includes, in addition to the members mentioned above, Bernice Crowe, Carding; Keith Scott, Weaving; Jesse Ben Patterson, Dyeing and Bleaching; Clarence Joyce, Packing and Shipping; Mae Perry, Warehousing and Shipping Office; and Ruth Jamerson, Cost Department.

Scholarship Deadline

Applications for Fieldcrest Scholarships must be submitted to the Fieldcrest Scholarship Committee prior to April 1.

The \$2,000-scholarships, given through the Fieldcrest Foundation, are for employees or children of employees who are entering college for the first time.

Application forms may be obtained from the industrial relations representatives in the various areas, from the employment offices at Spray and Fieldale, Va., or from Dr. William McGehee, director of personnel research and training, Spray.

New Class Enrolls In Textile Curriculum

A new class in the textile technology curriculum at the Industrial Education Center will start Monday, March 25. Already enrolled are approximately 20 employees of Fieldcrest Mills and other textile firms in Rockingham County.

Courses to be taught in the first quarter are Textile Mathematics, with George Self, Jr., of our Data Processing Department, as the instructor; and Reading Improvement, taught by Lane R. Presley, principal of the Draper Schools.

The mathematics class will be held from 6 p. m. to 8 p. m. on Mondays and the reading class from 7 p. m. to 9 p. m. on Tuesdays.

This will be the second class to start the textile technology curriculum which (Continued on Page Five)

Turn Of Seasons

Dressed in furs and shown against a wintry sky, Mary Edith Hankins fills a basket with daffodils to suggest the end of winter and the beginning of spring, which officially arrives Thursday, March 21.

Mary Edith is a secretary in the Engineering Department and the wife of Douglas Hankins, Karastan Office.
