The pictures below show Fieldcrest men as they received awards at the Consolidated Central YMCA's 54th annual meeting.

All prior attendance records were broken when 120 directors, committee chairmen and workers attended the program and saw four honor plaques awarded and 36 named to the National YMCA Leaders' Fellowship.

W. B. Weaver, retired Fieldcrest, was presented a desk plaque in recognition of exceptional service to Consolidated Central YMCA. Mr. Weaver was a charter member and one of the original petitioners for the establishment of the YMCA.

He has been actively serving the "Y" since it was organized in 1909. He served on the board of directors for 47 of the 53 years the Association has been organized. He was instrumental in forming the Golden Age Club 10 years ago and is president of this organization of retired persons.

C. Guy Buckle, of the Bleachery, was elected to the National YMCA Leaders' Fellowship for his outstanding work in "Y" membership campaigns for several years.

Robert L. Moore, Fieldcrest employment manager, was elected to the Leaders' Fellowship for his service on the board of directors, activity in membership campaigns and leadership in YMCA-affiliated organizations.

However, Bloodmobile officials point out that the usage of blood for patients of the Tri-City area has been exceeding the collections. Additional donors are needed on forthcoming visits by the Bloodmobile if a sufficient amount of blood is to be available for local needs.

Friends and relatives of persons who have received blood are urged to donate blood or, at least, to secure donors who will donate blood in the name of the person who received it.
