Retirees Display Hobbies At Annual Show

The Hobby and Garden show, sponsored by the Y.M.C.A. Golden Age Club at Consolidated Central Y.M.C.A., recently, was described by the club officers as the best show to date. The club sponsors the event each year to encourage persons of retirement age to develop their own hobbies.

All members of the club and all of their friends of retirement age were invited to enter exhibits showing their hobbies and the general public was invited to see the displays. Members of the Golden Age Club enjoyed a supper at the Y.M.C.A. following the show.

Some of those who entered exhibits and the items they showed were as follows:

Frank Shearon, hand made table; Mrs. Frank Shearon, hand made articles including four rugs, three aprons and a pair of bedroom shoes, towel and bath cloth, hand made quilt, slated bonnett; W. B. Weaver and T. P. Shinn,

fishing trip pictures; Mrs. A. E. Fair, dried flower arrangements; Mrs. M. H. Hanes, two beautiful flower arrangements; Mrs. Emma Darlington, hand made quilt of neckties; Mrs. A. D. Weaver, white hand made crocheted bedspread.
