

Cash Prizes Offered For Safety Slogans

A safety slogan contest in which employees in all Fieldcrest plants are eligible to compete will be conducted during the month of August.

The contest is being sponsored by the Central Safety Committee in order to stimulate interest in safety and to create a greater awareness of the importance of preventing accidents.

Cash prizes will be awarded for the best slogans at each mill as follows: first prize, \$15; second, \$10; and third, \$5. In addition, a \$25 grand prize will be given for the best slogan chosen from among all of the first-place winners.

The slogans will be judged and the prizes awarded early in September. The winning slogans will be posted on mill bulletin boards and mill safety boards.

Starting August 1, the foremen will contact all employees in their respective departments and will distribute printed announcements giving complete details of the contest and including a form on which slogans may be submitted.

Five Million Man-Hour Safety Record Attained

(Continued from Page One)
the Smithfield plant began operations.

Technically, the Award of Honor, was given to the plant for having operated 3,561,561 man-hours without a disabling injury between September 21, 1960, and December 31, 1963.

The Blue Ribbon Award was for the employees' having worked the entire year of 1963 with no disabling injuries.

The plaque from Fieldcrest Mills, Inc., was given as an Award of Excellence to the employees in recognition of their five million man-hours without a lost-time accident, a record which was attained on June 18, 1964.

Praises Employees

In a message to employees, Mr. Sambleson said: "Each and every employee deserves to be proud of the outstanding safety record of the Automatic Blanket Plant at Smithfield.

"Not only have you, individually and collectively, achieved a remarkable safety record in all areas, but the five million man-hours worked without a lost-time accident is second to none, not only in Fieldcrest but in our industry.

"Congratulations to you and my sincere thanks for your safety awareness in your daily jobs that has made this achievement possible. The greater the record the harder it is to maintain or beat; but I have such confidence in you that I am sure that we will by this time next year have set a new record of six million man-hours."

Fieldcrest for many years manufactured automatic blankets at Spray and the five million man-hour record dated from July 27, 1956, when the last disabling injury occurred at the Spray mill. To date there has never been a disabling injury at the Automatic Blanket Plant in Smithfield.

Organizational Meeting For Bowling League Is Set For August 6

Organization of the Fieldcrest Men's League at the Bowling Center, Spray, for the new season opening early in September will be set up at a meeting to be held at the Bowling Center Thursday, August 6, at 7 p. m.

Fieldcrest employees who wish to bowl in the league should get in touch with one of the following:

Finishing Mill, Carl Rhodes, extension 7243; Blanket Mill, Dick Mitchell, 8834, Leonard Fain, 8813; Bill Cochran, 8813; or Coolidge South, MEadow 5-6193.

Karastan, Cecil Barker, 9930; Lewis Stephens, 9947, Jimmy Grogan, 9925; Alfred Puckett, 9926; Jim McGavisk, 9955; Bedspread, Charles Walker, MEadow 5-5234; Sheeting, Dan Squires, MEadow 5-5343; Karastan Service Center, Jack Aheron, 4416; Plant Protection, Ed Pistilli, 5362; and General Offices, Bob Harden, 5376.

Lewis Broadnax Receives License As Minister

Lewis Broadnax, a long-time employee of the Specials Department at the General Offices, has been licensed as a minister after preaching his trial sermon on a recent Sunday at the Morning Star Baptist Church, Spray. He was presented his license Sunday, July 19, by the pastor of the church, the Rev. John Sims.

He will preach occasionally at the Morning Star Church, where he has been a member for almost 40 years, and will help at nearby churches when needed. He hopes that eventually he will have a church of his own.

He is chairman of the board of trustees at the Morning Star Baptist Church, is a deacon and teacher of the adult Bible class. He also is superintendent of the Sunday School Union comprised of several churches in the area. He is active in his community and has managed

Dr. L. H. Hance Will Join Fieldcrest Mills

lege, Phi Psi, Alpha Phi Omega, Phi Eta Sigma, and the Tiger Brotherhood.

He is vice president and treasurer of the National Council for Textile Education and served as president in 1956-1957. He is also a member of the American Society for Engineering Education and a member of the textbook committee of the Textile Institute.

In Charlottesville, he is a member of the University Baptist Church, where he is a deacon and Sunday School teacher. He is a member of the Charlottesville Rotary Club and is on the advisory board of the Salvation Army.

A native of Lancaster, S. C., he was employed by Springs Cotton Mills, Lancaster, and Judson Mills, Greenville, S. C., during the summers while a student at Clemson.

He is married to the former Christine Royall Mobley, also of Lancaster and a graduate of Furman University. They have three children, daughters, ages 11 and 12, and a son, six years old.

the Little League baseball program since it was started up until this season when he turned it over to others and is only assisting when needed.

A native of Spray, he has 28 years of continuous service at Fieldcrest. He has worked longer than that but broke his service by going to New York to work several times.

He worked briefly in the old Rhoads Island Dyehouse and in the Dyeing Department at Karastan. He has been employed in the Specials Department at the General Offices since 1936.

His wife, Shirley Broadnax, is employed in the cafeteria at Lakeside School. They have three children: a daughter, Riveria Frazier, who teaches in a consolidated school at Irisburg, Va.; a son, Lewis, Jr., who has been a high school band director at Rockingham, N. C., but who this fall will enroll at North Carolina College in Durham to complete the work for his master's degree; and another son, Franklin, who is an honor roll student at Douglass High School, Leaksville.

Gina Lee Marlowe

Gina Lee Marlowe, one year old, is the daughter of Mr. and Mrs. Douglas Marlowe of Draper. Her mother works in the Production Control Department at the Karastan Office, and her mother (Shirley) is employed in the Data Processing Department at the General Offices. Gina Lee's grandparents are Mr. and Mrs. James Marlowe, and Mr. and Mrs. Woodrow Weadon.
