

Enthusiasm Shown In 'Y' Morning League

Second and third shift employees of the Blanket and Sheeting Mills who are participating in the new Fieldcrest morning softball league at Draper are pictured on this page.

The league was organized by the Draper Y.M.C.A. and games are played each Monday and Wednesday morning at 8:30 at the Draper "Y" recreation park.

The teams shown are the original entries in the league, which at one time had a team from the American Tobacco Company, Reidsville, and which now includes a team sponsored by John's Drive-In but which is composed of Fieldcrest employees, mainly from the Karastan Mill.

John's Drive-In is currently on top with 9-3, followed by the third shift, 7-6, and the second shift with 2-9.

Playoffs will be held after the season closes August 12. A cook-out will be held and trophies will be presented to teams and individual players.
