Prizes Awarded Slogan Winners

In the recent company-wide safety slogan contest, a total of 58 slogans were submitted by employees at the Karastan Spinning Division.

By coincidence, the first slogan entered at Greenville was the winner of first place in the plant competition. This slogan was "Inside, Outside, Be On The Safe Side", submitted by Lendysier Stancill, an employee of the Carding Department.

The winner of second place was Elsie McLawhorn, a spinner. Her slogan was

"Safety Is Like Air; You Need It Everywhere." The third place winner was Cora Grubbs, also a spinner, whose slogan was "Safety Doesn't Cost Anything Until You Forget It".

Prizes awarded in the mill contest at Greenville were: first, \$15.00; second, \$10.00; and third, \$5.00.

In the picture above, Melvin Moore, plant superintendent (far left), presents the prizes to (from left) Lendysier Stancill, Elsie McLawhorn, and Cora Grubbs.

New Sign Erected At Smithfield Plant

The Automatic Blanket Plant at Smithfield has recently erected a sign calling attention to the plant as the "Home of Fieldcrest Automatic Blankets."

The sign is designed to look like a highway sign and is expected to be seen by virtually every passing motorist. The

Automatic Blanket Plant fronts on Interstate Highway 95, which is the main through highway from New York to Florida. A reported 3800 cars pass the plant every 24 hours, which means that counting only two persons per car, more than 2,700,000 people are exposed to this sign per year.
