Garden Clubs Sponsor Local Beautification

"Tri-Cities Beauty Is Everyone's Duty" is the slogan for the clean-up and beautification campaign now under way under sponsorship of the Leaksville-Spray Council of Garden Clubs.

Every householder and businessman in the Tri-Cities is being asked to cooperate in the attainment of the goal of bringing out the natural beauty of Leaksville-Spray-Draper and the suburban areas.

The campaign has the following three main objectives:

1. Civic improvement and development.
2. Enhancement of the natural beauty of the Tri-City area.
3. A campaign to urge every person to become anti-litter.

The campaign has been endorsed by the mayors of Leaksville, Draper and Spray, and by other officials, civic clubs, schools and interested individuals. The local effort is a part of the national clean-up and beautification campaign in which a half-million Garden Club members are participating.

Paul L. Peterson, general secretary of Consolidated Central YMCA, is chairman of the Tri-City beautification program. Mrs. George M. Ferguson is president of the Leaksville-Spray Council
