

'Fieldcresters' To Be On Television June 2

"The Fieldcresters," well-known local gospel singing quartet, will appear on WUBC, Channel 48, in Greensboro, Sunday, June 2. They will be on the "Piedmont Gospel Program," which is telecast from 5 p.m. to 6 p.m. on Sundays.

It will be a return appearance on the UHF station for "The Fieldcresters," who appeared on a program several weeks ago.

"The Fieldcresters" have a regular program over WLOE at Eden at 4:45 p.m. each Sunday. The quartet also makes many personal appearances at revivals and other special church services. While it is primarily a gospel singing group, the quartet sings popular songs at programs of community organizations and business firms.

Two sets of brothers with Fieldcrest connections comprise the quartet. Harold Squires, of the Draper Standards Department, is the second tenor, and Dan Squires, of the Sheeting Mill Spinning Department is the bass. Frank Setliff, first tenor, and Bill Setliff, baritone, are sons of J. E. Setliff, a retired Blanket Mill supervisor.

Joy Woods, a nurse at Morehead Memorial Hospital, is pianist for the quartet. Dan Squires is manager and serves as master of ceremonies. Persons interested in obtaining the quartet for special church services, homecoming, revivals, etc., may make arrangements through Dan Squires.

College Grads' Pictures Wanted

The Mill Whistle will publish pictures of employees' sons and daughters, in all of the company's divisions, who have graduated or who will graduate from a college or university this summer.

The parents should fill in the coupon below and send it with a photograph of the graduate to The Mill Whistle, Fieldcrest Mills, Eden, N. C. 27288, or they may hand the material to one of the plant reporters for The Mill Whistle.

It is not necessary that the graduate be wearing a cap and gown. If the parents do not have a photograph, the graduate can usually obtain one from the studio that made his or her picture for the college annual.

If there are any employees' daughters to graduate from hospital nursing schools we, of course, wish to include them, too.
