

## New Asst. Foremen

**Phillip J. Osborne** was promoted from management trainee to assistant foreman in the Cutting and Sewing Department at the Blanket Finishing Mill effective November 17.

A native of High Point, Mr. Osborne received his B. S. degree in business administration in June, 1969. He joined Fieldcrest immediately after his graduation and worked on various training assignments at the Blanket Finishing Mill in preparation for a supervisory assignment.

**Drewry W. Carter**, a supervisory trainee, was appointed an assistant foreman in the Karastan Weave Room effective November 1.

Mr. Carter joined Fieldcrest as weaver-in-training at the Karastan Mill in 1967. He later was a fixer-in-training and worked as a loom fixer-temporary. He entered the supervisory training program in June of 1969.

He is a native of Henry County, Va., and a graduate of Drewry Mason High School at Ridgeway, Va. He served in the Navy from May, 1963, until April, 1967, and was a jet mechanic.

**AUTRY MOORE**

## Bedsread Mill Appointments Announced

In new supervisory appointments at the Bedsread Mill, Autry L. Moore was named foreman of the Weave Room effective November 17 and F. Daniel James, Jr., was employed as section foreman in the Slashing Department effective November 10.

**Mr. Moore** was supervisor of supervisory training immediately prior to his new assignment and earlier was training supervisor-weaving. He had been employed in the Fieldcrest Training Department since March, 1968.

He attended Atlantic Christian College and Rollins College and received his B. S. degree in textiles from Florida State College. Immediately before joining Fieldcrest he was a weaving super-

**DAN JAMES**

visor at Burlington Industries in Halifax, Va.

**Mr. James** was a warping and slashing supervisor at Virginia Mills at Swepsonville before joining Fieldcrest. He earlier was with Erlanger Mills in Lexington as an assistant in the Planning Department and was associated with the Klopman Mills division of Burlington Industries in several locations.

## Teachers Visit

(Continued From Page One)

Eden City Schools, in remarks at the close of the program, expressed appreciation for the Company's cooperation with the schools and assistance to education in many ways. He praised the strong support by Fieldcrest and its employees in various endeavors benefitting the community.

Following the program, the school people were divided into small groups and given guided tours of the mills they had chosen to see.

The various groups toured the Bedsread and Karastan Mills, the Karastan Service Center, the Sheet Finishing and Bedsread Finishing Mills and the General Offices.

## Credit Union To Pay Another 5% Dividend

Members of the Fieldcrest Mills Credit Union in all locations will receive a 5 per cent per annum dividend, figured on their average monthly balances and credited to each member's share account as of December 31, 1969.

The dividend was raised to 5 per cent as of January 1, 1968. The Credit Union has never paid less than 4 per cent per annum on savings. The first increase was from 4 per cent to 4¼ per cent effective January 1, 1965. The rate was increased to 4½ per cent June 30, 1966.
