Large Group Attends Children's Party

Approximately 2,000 children of Fieldcrest employees and a large number of parents attended the annual Christmas party for children of employees in the Eden area Sunday afternoon, December 21, in the Morehead High School auditorium.

Robert A. Harris, senior vice president-manufacturing, was the master of ceremonies and extended holiday greetings from the management of the Company. The invocation was given by Robert W. Harris, assistant superintendent of the Bedspread Finishing Mill.

A musical program was presented by Mrs. Mamie Dickson of the Sheet Finishing Mill Accounting Department, who also led the children in the group sing-

ing of Christmas songs.

A program of entertainment was presented by Buddy Farnan, ventriloquist and magician, whose show was exceptionally well received. Mr. Farnan, of Atlanta, Ga., had had a kiddies show over WSB-TV in Atlanta and has presented children's entertainment for a large number of manufacturing firms, department stores, and others in Atlanta and at distant locations.

At the conclusion of the program, Santa Claus made his appearance and greeted the children. Santa Claus was assisted by a number of mill officials in handing out Christmas stockings filled with candy bars to the children as they left the auditorium.

CARD OF THANKS

The family of Nick Land wishes to thank the doctors and nurses at Morehead Memorial Hospital for the many kindnesses shown us at his illness and death, and our appreciation also to our neighbors and friends for the cards, flowers, food and other expressions of sympathy. May God bless each of you.

AIN'T IT SO

In the days when a woodshed stood behind a typical American home, a great deal of what now passes for juvenile delinquency was settled out of court.
