

Lou Stophel, Cuma Odell, and Violet Barrow witness Mayor Jones Norman's signing of the proclamation designating April 19-25 as Secretaries Week.

Secretaries Week Scheduled For April 19-25

On April 1, Jones W. Norman, mayor of the City of Eden, signed a proclamation designating April 19 through 25 as Secretaries Week with special emphasis on Wednesday, April 22, as Secretaries Day.

Witnessing the signing of the proclamation were Lou Stophel, president of the Eden Chapter of The National

Secretaries Association (International) and secretary to Dr. L. H. Hance, vice president, research and engineering, Fieldcrest Mills, Inc.; Violet Barrow, chairman of Secretaries Week and secretary to C. G. Stone, comptroller, Morehead Memorial Hospital; and Cuma Odell, drafter of the proclamation and secretary to W. B. Lucas, legal counsel for Fieldcrest Mills, Inc.

Every year since 1952, the last full week of April has been set aside for the observance of Secretaries Week. The National Secretaries Association (International), in cooperation with the U. S. Department of Commerce originated Secretaries Week to bring recognition to all secretaries and to inform the public of the vital role they play in contributing to the educational, professional, and civic growth of the community.

The theme for Secretaries Week is "Better Secretaries Means Better Business," and all programs and publicity material are geared to emphasize the message conveyed by this theme.

William Dean Has Cut 'Millions' Of Blankets

When William Dean completed 45 years of continuous service recently, it marked 45 years that he had worked in the same department, the same mill and very close to the same location in the building where he first started in 1925.

He has been a blanket cutter for virtually all of the 45 years and continues to work as a blanket cutter. This means he has cut a large percentage of all of the blankets made at the Blanket Mill and finished at the Blanket Finishing Mill since 1925.

Asked how many blanket he estimated he had cut, he replied "I guess there'd be millions of them."

Lester Carroll Garrett Is Appointed Foreman

Lester Carroll Garrett, previously an assistant foreman in the Cutting and Sewing Department at the Bedspread Finishing Mill, has been appointed foreman of Packaging and Warehousing at the same mill.

Mr. Garrett has been with Fieldcrest since May, 1969, when he was employed as a supervisory trainee. He was a production foreman in the Leaf Tobacco Processing Department at the American Tobacco Co. in Reidsville before joining Fieldcrest Mills.
