Members of the Promenade Club are shown above enjoying an evening of western style square dancing at the Central YMCA, Eden.

The Promenade Club meets every Saturday night from September until May. (Dancing is suspended during the summer months because there are no air conditioned facilities available in this area.)

Members include Fieldcresters from Fieldale as well as from the local area and the dances draw visitors from Roanoke, Rocky Mount, Collinsville, Randleman, Winston - Salem and Greensboro. Recently a Japanese couple, visiting locally, attended.

Garland King of Burlington calls the dances and does some teaching. His wife, Flora King, teaches classes in round dancing

Workshops, which are advanced teaching sessions, are scheduled periodically. These give the dancers a chance

to learn new techniques from professional callers. Following Square Dance Week (September 7-13) beginning classes will be taught.

At its last meeting the Promenade Club was officially accepted into the North Carolina Folk and Square Dance Federation, an organization which annually sponsors four dances.

Tarheel Square-Up

The big event for square dancers in North Carolina is the Tarheel Square-Up. This dance is held once a year and features one or more nationally known callers. The next "Square-Up" will be held in Winston-Salem on March 26-27, 1971.

Newly-elected officers of the Promenade Club are: Jim Jones of the Fieldcrest Auditing Department, president; Tyke Robertson, vice president; Janice Goldston, secretary; and Paul Murphy, of the Blanket Mill Weaving Department, treasurer.
