'Old-Fashioned 4th' Event Set For Eden

Plans have been completed for Eden's "old-fashioned July 4th" celebration to be held in Morehead Stadium on Independence Day.

The crowd is expected to gather about noon for informal activities with the organized part of the program to start

at 4 p.m. following a parade from the Meadow Greens Shopping Center to the stadium.

The evening program will include a flag ceremony, a concert by the Marine Band and an elaborate fireworks display. These events will climax an hours-

long program of games, stunts and contests, kiddie rides, music and air show.

A number of gate prizes are to be awarded, including a 23 inch Zenith color television, a 9 x 12 Karastan rug and a quilted bedspread. Tickets will be given out at the gate and drawings will be conducted at the close of the program. Three rides—car, train and twister—will be available for children. These will be in operation at the stadium from noon until dark.

The Leaksville-Spray Y's Men's Club, assisted by the Draper Y's Men's Club, will be in charge of games and activities. Events planned are bingo, horse-shoes, checkers, sack races, greasy pig, greasy pole climb, three-legged race, pitch-and-putt, ping-pong throw and apple bobbing.

It is expected that many families will bring picnic suppers to be eaten on the grounds or will purchase food at the booths to be in operation.

The celebration is being sponsored by Eden Jaycees with assistance from other community organizations. J. Paul Kitchens, manager of the Karastan Rug Mill, is general chairman for the Jaycees with G. William Moore, president of Fieldcrest Mills, Inc., as honorary chairman of the community-wide event.

W. D. Lashley, Jr., general chairman, and G. W. Moore, honorary chairman of new YMCA building project, turn first shovels of dirt at groundbreaking.

YMCA Construction Is Ready To Begin

Construction of Eden's new family-type YMCA will start within 10 days, A. G. Singleton, chairman of the building committee, said Friday.

N. C. Monroe Construction Co., of Greensboro, is the general contractor for the new facility to be built on Kennedy Street. The contract calls for the building to be completed within 10 months.

Groundbreaking ceremonies were held Monday evening, June 15, when G. W. Moore, honorary chairman, W. D. Lashley, general chairman of the new YMCA building project, and Tommy Fleming, a youth representative, turned the first shovels of dirt.

In addition to Mr. Moore and Mr. Lashley, Eden Mayor Jones W. Norman and several persons closely associated with the YMCAs and the building campaign, participated in the groundbreaking ceremonies.

Pierre Cardin Designs For Fieldcrest

(SEE PICTURES IN CENTERFOLD)

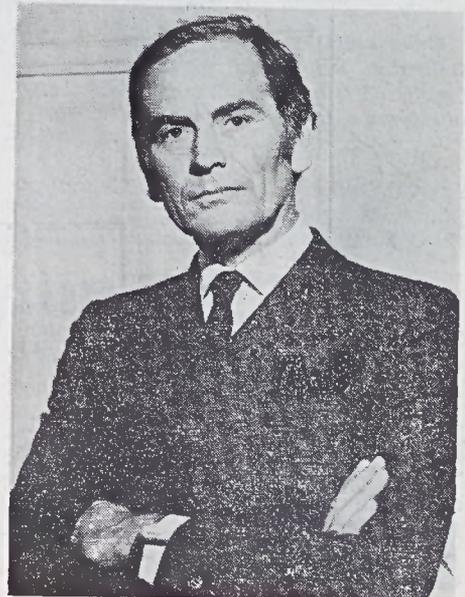

The first bed and bath fashions by Pierre Cardin, head of one of France's most illustrious couture houses, are among the pacesetters in Fieldcrest's recently previewed collections for fall.

The exclusive Cardin designs, on display in a specially constructed futuristic "capsule" in the New York showroom, offer a beguiling series of surprises within range of young homemakers pocketbooks.

The color coordinated collection, which includes towels, sheets, pillowcases, blankets, bedspreads, shower curtains and bath rugs, combines a feeling of soft femininity with a contemporary look that is so right for the varied attitudes of today's woman.

The Cardin designs, called "Florale", "Vis a Vis" and "Ronde", are youthfully exuberant interpretations of stylized flowers and undulating geometrics. Of the soft, flowing, colorful pat-
