Card Of Thanks

I wish to express my sincere appreciation to my family, friends, neighbors and fellow workers for the visits, cards, gifts and prayers during my recent stay at the McPherson Hospital in Durham.

John Craig Appointed Towel Asst. Foreman

John W. Craig, formerly a second hand, recently was appointed an assistant foreman in the Weave Room at the Fieldale Towel Mill, Fieldale, Va. His promotion was a part of the supervisory changes necessitated by the retirement of M. Stokes McCombs, an assistant foreman.

Mr. Craig has been employed in the Weave Room since 1954, having started as a filling carrier. He was a weaver for several years and was a loom fixer from 1961 until January, 1963, when he became a second hand. He continued as second hand until his latest appointment.
