

Sheeting Mill Earns Safety Barbecue

Sheeting Mill employees are pictured above at the barbecue dinner they earned through their good safety record. The Sheet-
ing Mill has operated since July 22, 1969, without a lost-time

accident. During this period the mill accumulated a total of 907,179 safe man-hours, an average of 2,000 hours per employee, through the week ending September 6.
