

Winners in recent Dan Valley Sports Car Club rally, from left, are second place, Jim Maus, navigator, and Verla Maus, driver; first place, Mike Taylor, driver, and Teddy Denny, navigator; third place, Rusty Love, driver, and Earl Trogdon, navigator. Both Love and Trogdon are from Burlington.

Fieldcresters Winners In Sports Car Rally

Fieldcresters won first and second trophies in the first rally staged by the recently-organized Dan Valley Sports Car Club.

Top honors for completing the complicated 81-mile event went to driver Mike Taylor, of the Fielddale Towel Mill Industrial Engineering Department, and his navigator, Teddy Denny, of Eden.

Second place winners were driver Verla Maus of the Bedsread Finishing

Mill Office and her husband, Jim Maus of the Sheet Finishing Mill Industrial Engineering Department, who was navigator.

The club has scheduled another rally for Sunday, November 15, with registration to begin at 1 p.m. The rally is not limited to sports cars or club members. Anyone may enter any type of car, domestic or foreign.

The Dan Valley Sports Car Club was formed to band together all sports car owners and enthusiasts in this area, and is open to anyone wishing to join. Ownership of a sports car is not required. Those wishing to obtain more information about the club may do so by contacting any of its members.

"A rally is fun and an inexpensive sport played with cars," Maus said. "It is basically a timed event run from one point to another point or points on public roads at or below legal speed limits. The scoring is done on the basis of timed accuracy through these points. It is one of the most popular and exciting of all sports car activities."

Booth Named Weave Room Shift Foreman

Michael E. Booth, formerly a supervisory trainee, has been appointed a shift foreman in the Bedsread Mill Weave Room.

Mr. Booth came to work for Fieldcrest in October, 1968, as an overhauler in the Bedsread Mill Weave Room. He worked as a loom fixer in the Weave Room from September, 1969, until February, 1970, when he entered the supervisory training program. He is a native of Eden.

New Records Attained By Fieldcrest Donors

A number of blood donors, nearly all of them Fieldcresters, reached new records when the Bloodmobile made its recent visit to Eden.

Of those who gave blood, Jim Huffman is now a four-gallon donor; Garland Church is a three-gallon donor; Jack Burgart, Walter B. Altizer, Jr., W. Fred Robertson and John South are two-gallon donors.

David Kemp, Jimmy Shropshire, James M. Robertson, Maynard Rodgers, H. Gray Hundley, Richard William Witt, Jr., Michael D. Gentry and John R. Martin are one-gallon donors.

Isn't it better to go ahead and tell the truth than to try and remember what you said?
