

G. L. Caraway Cites Efforts In Search For Cancer Cure

"It could be a gift of the United States to mankind," said George L. Caraway in announcing that the theme of the 1971 Cancer Crusade will be, "We want to wipe out cancer in your lifetime."

ing and customer service at the Fieldale Towel Mill, is president of the Martinsville-Henry County chapter of the American Cancer Society.

He attended a Crusade conference in Richmond at which the proposed additional federal funds for cancer research were discussed.

"Since President Nixon's announcement that he will ask Congress for an additional \$100 million for an intensive effort to conquer cancer, this good news has been welcomed by our local chapter and American Cancer Society groups all over the country," Mr. Caraway said.

He pointed out that plans for the creation of a multi-million-dollar Cancer Research Institute in Richmond, to be financed by private funds, have recently been revealed.

Virginia's Lt. Gov. T. Sargent Reynolds (recently hospitalized for brain tumor) is one of the principal supporters, Mr. Caraway said.

The research institute would be the only facility for basic research into cancer between Baltimore and Houston. Once it is established, it will be eligible to receive federal funds for research.

Fieldale Towel Mill employees and other citizens of the Fieldale area are a major supporter of the local Cancer Crusade through their contributions to the Fieldale Community Fund.

MAYOR NORMAN

J. W. Norman To Lead Panel In New Orleans

Mayor Jones W. Norman of Eden has been asked to be the moderator of a panel discussion at the annual Conference of Regional Councils in New Orleans March 7-10.

The session that Mayor Norman will moderate will be on "Human Resources" (manpower, social services, health). The speakers will be three mayors from other parts of the country.

Mayor Norman, who is personnel manager for the Bedspring and Karastan Mills, received the invitation from Richard C. Hartman, director of the national association of regional councils, and from Lindsay W. Cox, executive director of the Piedmont Triad Council of Governments. The COG will pay Mayor Norman's expenses.

Members of the panel will come from the Alamo Area COG in Texas, Southeastern Connecticut Regional Planning Commission and South Alabama Regional Planning Commission. This panel is scheduled for Monday, March 8, from 10 to 11:15 a.m.

Mayor Norman has been a member of the Piedmont Triad COG board since Eden joined the council a year ago.
