Eight Fieldcrest Scholarships Awarded

The Fieldcrest Foundation has awarded eight additional scholarships to assist children of Fieldcrest employees in obtaining a college education.

The scholarships are worth \$4,000 each over the four years of college attendance, and the latest grants make a total of 60 Fieldcrest Scholarships which have been given to employees or children of employees since the program was started in 1960.

The latest recipients are: James Russell Ferguson, Morehead High School; Cheryl Denise Fulton, Morehead High School; Richard Wayne Gillie, Smithfield-Selma High School; Roy LaMance Joyce, Fieldale-Collinsville High School; Ricky Lynn McBride, East Rowan High School; Sharon Virginia Nichols, Drewry Mason High School; Anthony Dale Patterson, Morehead High School; and Gary Lee Squires, Morehead High School.

James Russell Ferguson plans to major in science at Davidson College and hopes to go on to medical school after completing his undergraduate work. His parents are Russell J. and Mary

James S. Morgan Is Muscogee Recipient

James Shelton Morgan, Hardaway High School, Columbus, Ga., has been awarded a Muscogee Foundation Scholarship of the same value and similar to the Fieldcrest Scholarships.

He is the son of Mr. and Mrs. Henry Morgan of Columbus. His mother, Mrs. Bessie D. Morgan, is an accounts payable clerk at the Columbus Towel Mill.

James Shelton Morgan has been accepted at Georgia Institute of Technology where he will study electrical engineering.

Members of the Muscogee Foundation Scholarship Committee are: T. H. Sherman, division vice president and general manager, Columbus Towel Mill, chairman; T. H. Stanley, president of the board of education of Muscogee County; Dr. William McGehee, director of personnel research and development, Fieldcrest Mills; and J. L. Crabtree, Columbus personnel manager, secretary.

G. Ferguson. Mrs. Ferguson is employed in the Karastan Winding and Setting Office.

Cheryl Denise Fulton has been accepted at Wake Forest University and plans to major in mathematics or music. She is the daughter of William L. and Betty Fulton. Mr. Fulton is a systems analyst at the Sheet Finishing Mill and Mrs. Fulton is a bookkeeper in the Accounting Department, General Offices.

Richard Wayne Gillie will attend North Carolina State University and wants to major in either electrical or textile engineering. He is the son of Frank H. and Kathleen H. Gillie. Mr. Gillie is an engineering assistant at the Smithfield Automatic Blanket plant.

Roy LaMance Joyce has been accepted at Virginia Polytechnic Institute and will major in mechanical engineering. His parents are Dewel G. and Shirley H. Joyce. Mrs. Joyce is a cloth labeler in the Sewing Department at the Fieldale Towel Mill.

Ricky Lynn McBride plans to attend

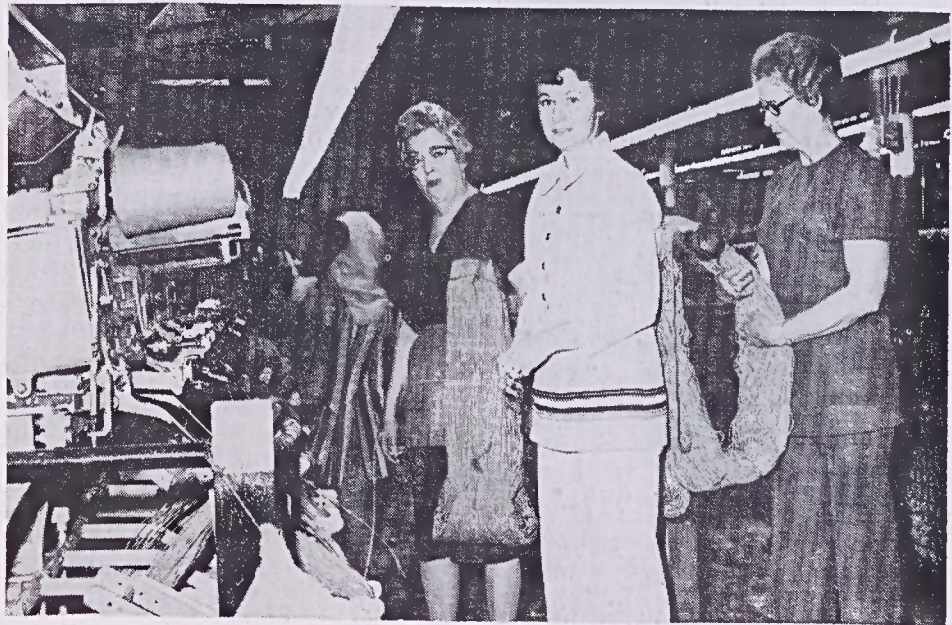

North Carolina State University and major in engineering. He is the son of Curtis S. and Mary H. McBride. Mr. McBride is a shader in the Put Up Department at the North Carolina Finishing Company division, Salisbury.

Sharon Virginia Nichols will attend Mary Washington College. She plans to major in either Spanish or mathematics. Her parents are S. Cody and Virginia Nichols. Mr. Nichols is office manager at the Karastan Service Center.

Anthony Dale Patterson plans to major in history at Appalachian State University. He is the son of John S. and Lorraine F. Patterson. Mr. Patterson is a second hand at Blanket Warehouse.

Gary Lee Squires has been accepted at the University of North Carolina at Chapel Hill and plans to major in dentistry. He is the son of Daniel W. and Hazel F. Squires. Mr. Squires is a shift foreman in the Sheeting Mill Spinning Department.

The Fieldcrest Scholarships are of-

WHAT'S UP?—Nothing's up, and nobody's up much except third shift personnel who work while most people sleep. Third shifters pictured here are Frances Dunivant, Katherine Franklin and Lillie Harvey, all of the Karastan Winding and Setting Department. For pictures of more third shift employees and their comments on why they like the late-night shift, see picture-story on pages four and five.
