

Fieldale 25-Year Picnic Scheduled For Sept. 18

(Continued from Page One)

due, Ralph Pickup, Agnes T. Pilson, Mack D. Rakes, Evelyn A. Smith, G. Donald Thornton, Emma E. Tillie, Richard N. Turner, Robert L. Turner, Albert W. Walker, Charlie M. Watkins, Vera J. Whitlow, Chester A. Witt and Virginia J. Witt.

The 25-Year Club meetings for plants in other areas will be held later. The dates are to be announced as soon as plans have been completed.

'Outstanding Camper'

James C. Paschal, six-year-old son of Mr. and Mrs. J. C. Paschal, Jr., was selected "Outstanding Camper" for the fourth session of the YMCA Kamp Saura day camp for boys.

He was chosen for his active participation in all camp activities, his cooperation with other children as well as counselors, his friendliness and his ability to get along with children and counselors.

The young camper's counselor was "Sonny" Sherrill, son of Dr. and Mrs. Frank H. Sherrill, Jr.

His mother, Frances Paschal, is a secretary in the Industrial Relations Department, General Offices. His paternal grandmother, Gladys M. Paschal, is employed in the Sheet Finishing Mill and his maternal grandmother, Mary R. Hatcher, in the Blanket Mill.

Members of Karastan Safety Committee conduct drawing for cake.

'Safety Cake' Given At Karastan

When the Karastan Mill and Service Center celebrated their good safety record recently with a barbecue dinner, a "safety cake" was given away as a prize.

Shown at the drawing for the cake are members of the Karastan Safety Committee, from left to right, Ben Per-

kins, Dye House; Willie Wilmoth, Finishing Department; Norman Clark, Weave Room; and Ernest Hopkins, Setting Department.

Wayne I. Cox, who is employed as a third shift employee in the Plant Service Department, was the winner of the cake.

How Much Do YOU Know About Drugs?

Drug abuse is considered one of the major problems of the country. The newspapers, magazines, television and radio continue to inform about the problem and information is readily available to everyone.

How much have YOU learned about drug abuse?

The quiz below will help you determine how much you know about the major classes of drugs, their effects and dangers. The information is needed by everyone—especially parents and potential drug users—who may be unfamiliar with today's drug problem.

Test yourself on these true or false statements. The answers are given on page eight.

TRUE OR FALSE

T F
