Leonard E. Largen Karastan
Betty J. McFatter Automatic Blanket
Thomas R. Smithwick Karastan
Franklin D. Sumbry Columbus
Eugene Hall Fieldcrest Sales
Louise Allen Columbus
Willie P. Chilton Pilot Plant
Bobby J. Slaughter Fieldale
Sara R. Penley Karastan Spinning
Ellie F. Boyd Automatic Blanket
Sandra F. Butterworth Columbus
Christine B. Stewart Auto. Blanket

Everyone Benefits! Everyone Should Give!

In Eden this week, each of us will have an opportunity to pledge a contribution in support of the Eden United Fund, which provides services which Eden needs and must have to fulfill the human obligations of the community.

Those of us with good health, good employment and a chance for happiness have the privilege and responsibility for helping those who are less fortunate. This we can do, easily and conveniently, by pledging a contribution to the Eden United Fund campaign.

The drive in the Fieldcrest plants and offices will continue through the week. Employees who are currently signed up on a continuing basis will not be solicited, of course, but all others will be contacted and invited to pledge a contribution. The pledge can be paid in small installments over a 12-months period starting next January. Employees are urged to pledge a "Fair Share" and a large percentage of employees already have made such pledges on a continuing basis.

The community-wide goal in the campaign is \$150,000, representing the minimum amount needed for the continuance of the 11 health, welfare and recreational agencies that receive support from the Eden United Fund.

A well-organized campaign is seeking pledges from all employed persons at their places of employment. As at Fieldcrest, employees of other businesses and industries are being asked to contribute on the "Fair Share" basis.

Employees of Fieldcrest can help insure the success of the overall campaign by contributing generously as they have in the past. If you are not now signed up for continuing deductions, won't you pledge a "Fair Share" in this year's campaign? By doing so you will be joining with your fellow workers and fellow citizens in taking care of the human needs in the home community. You will enjoy a sense of satisfaction in knowing that you joined with your neighbors and did your part in an unselfish, most worthwhile cause. Give your Fair Share.

Walter Joyce To Complete 40-Year Record

Walter Joyce, a shift foreman at the Sheet Finishing Mill, tomorrow, September 28, will complete a 40-year record of continuous service with the Company.

On his anniversary date, company officials are to present him with his diamond-and-gold 40-year service emblem and other mementos of his service anniversary.

Mr. Joyce is a native of Eden and has worked at the old Bleachery and the Sheet Finishing Mill during all of his years of service. He has never been off of the payroll for any reason since he started to work 40 years ago, September 28, 1931.

He first worked on the mangle at the old Bleachery and later was a pillow case tearer.

He became a shift foreman in 1946 and continues to serve in that capacity, having moved to the Sheet Finishing Mill when it was opened in 1962.

WALTER JOYCE

PLEDGE TODAY TO UNITED FUND
