

29 In College On Fieldcrest Scholarships

The 1971-72 school year finds 29 students—sons and daughters of Fieldcrest employees—attending college with the help of scholarships awarded by the Fieldcrest Foundation.

These 29 students are enrolled in 14 different schools and are majoring in such widely diverse subjects as English, engineering, history, textiles, education, nursing, mathematics, business administration, physical education, science, foreign language, dentistry and religion and philosophy.

Recipients of Fieldcrest Scholarships are selected on the basis of their academic aptitude, good citizenship and leadership and the need for financial assistance in obtaining a college education.

Each scholarship is worth \$4,000 over the four years of college. A total of 60 Fieldcrest Scholarship have been given since the program was started in 1960 and 30 of the recipients have graduated from college, many of them with outstanding records. One recipient is deceased.
