... LAND
... Mill
... a Hamel twister operator in the
... department at Columbus Towel Mill,
... the discovery of ear plugs, I had
... hearing over the past few years.
... hearing has improved considerably."

... Stegall, a tie-in machine operator at
... Mill, came to work after the
... was in effect. "I am glad to wear
... all this noise so that I know my
...ected," he said.

... employees found the ear muffs uncom-
... have been able to adapt easily to ear

... said that he "became accommodat-
... easily." He also feels that every-
... ear muffs or plugs. "I consider
... comfortable than the muffs," he

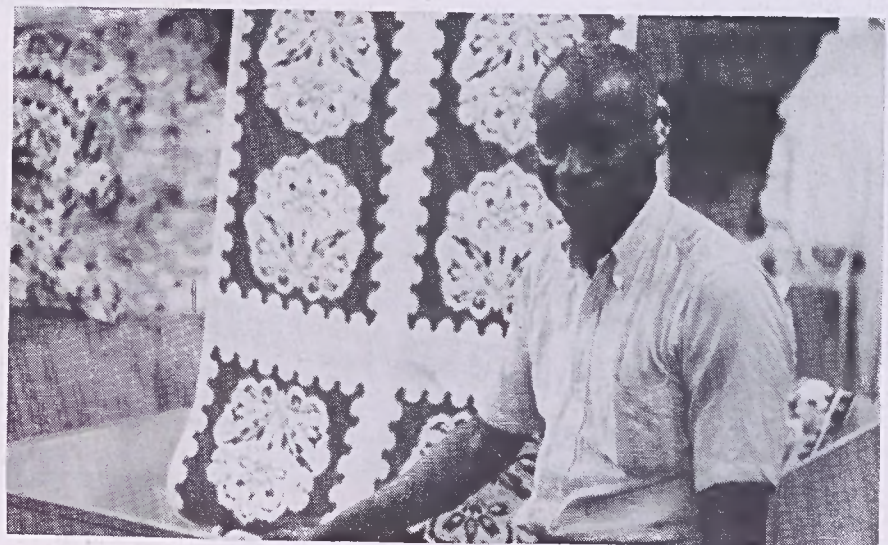

... who found the muffs uncomfort-
... said the ear plugs don't bother him
